

Young Women in Harmony Resources

Sweet Adelines YWIH site: <http://www.sweetadelineintl.org/young-women-in-harmony.cfm>

This site has lots of valuable information including:

- Tools for Music Educators
- YWIH Arrangement List
- Music After 5 Program
- YWIH Guide for Chapters

Barbershop Harmony Society (BHS): <http://www.barbershop.org/>

Go to the Youth Zone section for information on what the guys are doing for their Young Men in Harmony (YMIH) programs. They have Harmony Explosion Camps, District Youth Activities & Youth Harmony Workshops. If something is going on in your area, contact the guys to see if you can partner with them, or just help them out to start building a relationship.

There's a section for YWIH and I'll try to add youth events around our region that I learn of. I'd appreciate being notified if anyone hears about an upcoming youth barbershop workshop, festival or event.
