

Countdown to Regional Convention Has Begun

After a LONG four year wait, Midwest Harmony Region 3 will join together in Milwaukee, Wisconsin for in-person competitions! Set your countdown clock to May 4th as you won't want to miss a thing.

Our reunion will be held May 4th to 7th in the Hilton Milwaukee City Center and the Miller High Life Theater. This is the Festival hotel from last August. The theater is just a block away. Be one of the first to sing on competition stage by joining the sound check. Meet at the theater lobby Friday (May 5th) at 8:30 am. We will be singing Send Your Love and How We Sang Today.

After the sound check, make your way back to the hotel for **Connecting With Our Audience** presented by Renee Porzel. Let's get ready to hit the competition stage with confidence. Friday (May 5th) at 1:00 pm in the hotel.

New this year are jumbotrons. Screens next to the stage will run before, between and after contestants. Do you have an event you would like to promote? A member you would like to celebrate? Slides are \$50 each or 3 for \$125. Go to the region's website for details.

A few changes for 2023:

- Convention Programs will be available for digital download – not printed. We'll send an email to let you know when the program is available and we will provide a QR code onsite.
- Our closing song on Saturday will be It's The Music That Brings Us Together.
- For the past few conventions, the region produced a webcast. Due to the loss of over \$5000 during those years, the RMT has decided to no longer produce a webcast. We will post videos of all the performances to the region's YouTube site after the convention.
