ADDITIONAL INFORMATION

POSED: Chorus - Posed photo is taken on stage, immediately following your performance.
Quartet - Posed photos are taken in the quartet room before your performance. If placing an order with the paper order form, quartets will need to select a posed photo for prints, and email that photo number (example GroupName-001.jpg) to Sales@ReadPhotography.com.

CANDID: Candid images ordered using this form will be the photos taken on stage during a performance. Additional candid photos taken during other parts of the event are available to order from the online galleries.

DIGITAL: Small digital images are intended for social media and promotional use only. Full-size digital images are available to quartets, and are large enough to use on social media and for promotional materials/printing. Digital images will be sent to the provided email address from WeTransfer (will include a link to download the images).

PRINTS: All prints ordered using this form will be of the posed image for your group. Additional images are available to order through the online galleries.

CROPPING: For larger choruses, some print sizes may include extra black space added to the top and bottom of the print. Longer print sizes will minimize this effect.

Large Chorus - 8x10

Large Chorus - 8x18

BORDERS: You have the option to add informational borders to your prints. Border text will include: Name of the event, city, state, and year.
