

CROSTOWN HARMONY

Pam Laufenberg

Pam has been a member of Sweet Adelines for 25 years, and a dedicated member of Crosstown Harmony Chorus since 2013. Her passion is to pursue musical excellence! She strives to help our members perform at their highest level through feedback as an assistant director and section leader, creating learning tracks, and being a confident resource for music interpretation and visual plans. She sings both bari and bass interchangeably according to the needs of the chorus, and enjoys that special personal challenge of keeping the parts straight! Pam puts a high priority on participating in all chorus performances, and also steps up to direct whenever needed. Pam loves the journey of honing her craft through weekly rehearsals, and loves offering her skills to help Crosstown be its very best."
