

HEART OF ILLINOIS CHORUS

JoEllyn Welch

JoEllyn has been instrumental in helping the Hearts make the transition to a new director. She has provided support for our director, Lora Wright, and has provided invaluable support and guidance. She has served as an assistant director. She has been section leader for tenors and leads and has lead extra section rehearsals before scheduled rehearsals and outside rehearsals. She has served on the music team and show committee. She orders music and learning tracks as new music is selected. She continues to grow her schools by attending music schools and uses what she has learned to enhance the chorus's skills. JoEllyn Welch has truly been a Heart with great Heart.
