

MELODEERS

Lisa Mundo

Every time we look up, Lisa is working on a project for the Melodeers. Her chorus dedication and hard work with various special committees makes her an incredibly valued member of the Melodeers. We love her upbeat delivery of ideas and organized plans when she's in front of our chorus. She invests hours of time each month to help the Melodeers in any way that's needed. And...she does it with a smile and graciousness!
