

## TOAST OF CHAMPAIGN CHORUS

### *Debbie Swan*

Toast of Champaign has chosen Debbie Swan as our 2018 Woman of Note. Debbie is a joy to sing with, always smiling, always upbeat, and often approaches things with a quirky sense of humor that delights and sometimes surprises us. This past year she created and made chorus competition tops that are not only beautiful but manage somehow to flatter everyone's figure. She also spearheaded a committee that completely overhauled our makeup plan and, along with her committee members, gave small group lessons to get everyone up to speed. Her gentle approach put even the most reluctant members at ease. We cannot sing her praises enough.
