

YAHARA RIVER CHORUS

Sue Thompson

Like many choruses, Yahara River draws members from a large area. Our 2017 Sweet Adeline of the Year is one of our people who makes the long trip weekly to sing with us. Sue Thompson has been a Sweet Adeline for just over 26 years now, initially with groups in the Milwaukee area, where she lives, and then for the last 10 years with YRC. In her time in Sweet Adelines, Sue has sung with 3 different quartets, with BassLine being the most recent.

YRC is very fortunate to have her as a member. She embodies so many of the qualities we all strive for. She sets a great example with her hard work and dedication to learning the music and choreography. From the moment she steps on the risers, she is focused on the task. She always has her recorder in hand, either for self-evaluation or for making notes on music changes. She asks pertinent questions and offers helpful comments.

Off the risers, Sue is the type of person who sees something that needs to be done, and then just quietly does it. She always has a smile and a warm word for others.

We are proud to call her a Sister In Song.
